Dear John:

We are most happy to have your nominees for the 1967-68 Naval Warfare Course. They are both highly acceptable, and I am looking forward to meeting them in August.

Because the actual acceptance of nominees is done for the Secretary of the Navy by the Chief of Naval Personnel, I am taking the liberty of sending a copy of your letter to that activity for their action. They have assured me by 'phone that they will very quickly send you a letter accepting both candidates.

It was very good to hear from you, and once again let me say we are delighted to have two representatives of the Central Intelligence Agency in next year's class.

Sincerely,

JOHN T. HAYWARD
